SUMMIT 2024

THE LARGEST GATHERING FOR OPEN MAPPING AND INNOVATION IN BANGLADESH

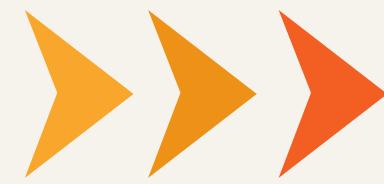

Join us for the YouthMappers Bangladesh Summit 2025, the premier gathering of the Youth Open Mapping and OpenStreetMap community in Bangladesh! This annual national conference brings together passionate young mappers, leaders, and changemakers from 28 YouthMappers chapters across educational institutions nationwide. This year, we're thrilled to host the summit at Patuakhali Science and Technology University, set against the stunning coastal landscape of Patuakhali, a place known for its natural beauty, warm community, and rich local culture.

SPONSORSHIP OPPORTUNITIES

GET INSPIRED GET CONNECTED

Sponsors are an integral part of the conference. In this regard, we local organizers would like to invite you to attend the event and your organization to get engaged with us by sponsoring the event. Your sponsorship will help making the event affordable to the widest possible audience and your organization will have a very close relationship with the communities in this region. This would also be a wonderful opportunity for your organization to present the wonderful works you are doing & how these can be enhanced engaging the open mapping and Open Mapping community throughout the globe to the audience who could benefit and value from your participation at this conference. We would like to invite you to be a partner with us in event.

SPONSORSHIP OPPORTUNITIES

Sponsoring our event will help you reach your target audiences, network & socialize at the conference while demonstrating your commitment to open geospatial data, OpenStreetMap, and Tech4Social Good.

WHAT TO EXPECT

VISIBILITY:

Your brand will be prominently featured in all event materials, across social media channels, and during the event.

ENGAGEMENT:

Direct engagement with top talents, influencers and leaders in the open data, frontier tech and open mapping communities in Bangladesh.

INNOVATION SHOWCASE:

This is an opportunity to showcase your products and innovations to a dedicated audience of technology & data enthusiasts and professionals.

SCHOLARSHIP PROGRAM:

To ensure an accessible and diverse conference, we provide local scholarships to accomplished community members. As a sponsor, you'll be helping to bring talented people to the conference, who otherwise might not afford the trip. The more you sponsor, the more scholars we can invite to YouthMappers Bangladesh Summit 2025!

WHY SPONSOR

BRAND INFLUENCE:

Align your brand with innovation and community development.

COMMUNITY ENGAGEMENT:

Innovation and Connect with passionate contributors and potential hires in a dynamic and growing field.

SOCIAL RESPONSIBILITY:

Support the local open data movement, enhancing your organization's profile as a leader in ethical data practices and technology.

SPONSORSHIP OPPORTUNITIES

We will provide a space for exhibition stands at the event venue. This is perfect for showing off your services and providing a visible place to start conversations with delegates. If your sponsorship tier includes this, we will contact you closer to the time to provide the details.

Website and all media: Published logos on the official YouthMappers Bangladesh Summit websites, social media (Facebook/Meta, Twitter IX, LinkedIn) posts, and live acknowledgement for the days of the conference.

NOTE: Size of company name and logo are proportional to the company's level of sponsorship.

*Registration and Food: Talks are free for attendees to join. Only registered attendees will get food coupons.

CAN'T FIND WHAT YOU ARE LOOKING FOR?

Please let us know in which way you would like to support us. Apart from the above-mentioned offers we will be happy to negotiate a customized sponsoring according to your wishes.

Please contact us at summit.ymbd@gmail.com

Thank you in advance! We are looking forward to hearing from you.

PAST SPONSORS AT A GLANCE

Past sponsors of YouthMappers Bangladesh Summit events have included major tech companies, geographic information system (GIS) providers, humanitarian & development actors & donors, and startups that have benefited from direct engagement with a diverse community of mappers, developers, and geospatial professionals. These sponsors have utilized the event to showcase their technologies, recruit talent, and share their expertise with an engaged audience.

MEET THE HOSTS

YouthMappers Bangladesh community is an organized community ecosystem of YouthMappers Chapters in Bangladesh. Capitalizing on web-based open geospatial technologies, and a network of universities around the globe, YouthMappers is an initiative with a mission to cultivate a generation of young leaders to create resilient communities and define their world by mapping it.

PSTU YouthMappers is a platform for students interested in discussing and implementing Mapping, GIS & Remote Sensing. It enables students to learn about GIS and utilize it to create maps that communicate, analyze, solve difficult problems for research.

EVENT PROMOTION STRATEGIES

SOCIAL MEDIA CAMPAIGNS: ENGAGING NATIONAL, REGIONAL & GLOBAL AUDIENCES

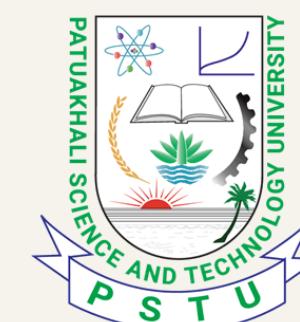

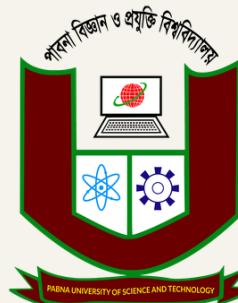

By leveraging the networks and reach of the national OSM, open mapping & open data community groups and pages, the promotions & campaigns of YouthMappers Bangladesh Summit will be significantly amplified, ensuring a successful and well-attended event. Active participation from the local communities with cross-promotions not only boosts event attendance but also fosters a sense of ownership and support for the event. Regional and national pages enable targeted marketing efforts, focusing on specific geographic areas and communities. This ensures that the event promotion reaches the most relevant audiences who are likely to attend and contribute. Along with that a article will be published on the YouthMappers Global Site and OpenStreetMap Community blogsite.

ON-CAMPUS ACTIVITIES: ENGAGING YOUTH AND ACADEMIA

The event will also promoted through periodic community meetups, info sessions, and other pre-event activities. To make sure the event gets maximum exposure to the targeted youth groups and academic groups campus influencers will promote the event alongside the 28 YouthMappers university chapters in Bangladesh.
